That committee reports the bill to General File with committee amendments, Mr. President. (See AM0371 on page 850 of the Legislative Journal.)

SENATOR MORRISSEY: To the committee amendments, Senator Rogers.

SENATOR ROGERS: Mr. Chairman and members, I will open by asking you to vote no on the committee amendments. We have filed another amendment, AM0640, which I think you should all have on your desk by now, with the Clerk which contains changes that were made after the bill was advanced from committee. These changes are the result of several meetings with producers to make LB 583 a much better bill, and members of the Ag Committee have signed on the new amendment, and like I said, the committee amendments should be...the amendments should be on your desk and I will discuss the changes after we vote no on the committee amendments.
